

Mosquito Magnet Independence:

Item No.: 9000300096

Constructed of high quality all-weather materials and covering one acre, Independence is ideal for patio, deck, garden, as well as commercial environments with moderate infestation.

Price: £ 875.00 (*Price includes VAT)

UK Shipping Charge: £ 20.00 per Unit

The **Mosquito Magnet® Independence™** features new cordless technology and has been designed for the homeowner who needs to protect larger yards up to a 1 acre area. Its one-button operation and easy assembly make using the **Mosquito Magnet® Independence™** simple and convenient.

The **Mosquito Magnet® Independence™** runs on just 4 "C" batteries that last all season long so no external electrical power is needed. This convenient feature allows placement of the unit away from the family area yet still near the mosquitoes' breeding and resting areas.

Independence Features:

- 1 acre coverage
- Easy to operate - just switch on!
- All-weather durability
- Generates its OWN electricity
- Advanced diagnostics
- Comes with 1 net
- Dual CO2 + Octenol attractant strategy.

Construction: Hi grade all-weather materials throughout.

Power Source: Features the Mosquito Magnet patented Catalytic Converter that converts propane into CO₂, heat and moisture to simulate human presence. Cordless 0 Runs on 4 "C" batteries. (Propane tank not included. Recommended tank size: Standard 11 or 13 kg tank)

Maintenance: Refill propane tank and replace Octenol cartridge every 21 days. Empty net when half full.
